

CHRIST THE KING SCHOOL POSITION ANNOUNCEMENT

Middle School Science Teacher

Christ the King School, located at 3105 Belmont Blvd. in Nashville, is seeking a Middle School Science Teacher for the 2018-2019 school year. Working hours are Monday through Friday, 7:45am to 3:15pm on days when school is in session, plus professional duties. Position reports to the Principal.

Primary functions of this position are to teach life, physical, earth, and space science to students in grades 5 through 8; prepare weekly lesson plans; maintain and coordinate use of science lab; order science materials for all grades; promote STEM skills and love of science; maintain accurate records of grades; attend faculty meetings; and communicate with parents. This position will also be responsible for the annual STEM Fair and extracurricular science competitions.

Education/Experience:

- Prefer candidates with a Master's Degree in Science Education
- At least two (2) years of prior teaching experience
- Prefer candidates with five (5) or more years of teaching experience

Other Skills/Requirements:

- Skilled in use of educational technology applications
- Proficient lab skills
- Excellent classroom management skills
- Excellent written and verbal communications skills
- Willingness to submit to and satisfactorily complete a criminal background screening and complete diocesan Safe Environment training.

Please e-mail cover letter (detailing how candidate meets minimum requirements) with resume to: sherry.woodman@cks-nashville.org. Competitive pay according to the teacher salary scale. Great benefits! Employment interviews will take place during March, 2018.

POSTING DATE: February 1, 2018

DATE AVAILABLE: 2018-19 school year
