PRESIDENT'S RESERVE AT HERMITAGE GOLF COURSE

Benefitting An Inclusive Catholic Education

ABOUT THE CLASSIC

Join us for the Inaugural HIHO Classic, a day on the green to raise awareness and funds for Hand In Hand Options (HIHO), which provides an inclusive, high quality Catholic school experience that empowers students with developmental conditions, learning differences, and/or exceptional learning needs to reach their fullest potential. To learn more, visit <https://dioceseofnashville.com/hiho/>.

“An inclusive education isn’t about helping our students ‘fit in’ but transforming our schools to make them better for all our students.”

– Kathy Boles, Executive Director of Exceptional Learners

WHY PARTICIPATE?

Through your participation in the HIHO Classic, Hand In Hand Options can broaden academic programs, enhance enrichment opportunities, and provide a transformational Catholic education for all students. Funds raised through the HIHO Classic will be used for teacher training, parent education classes, assistive technology tools, specialized curriculum, and resources designed to support students whose challenges often pose barriers to achievement in traditional school settings.

“We believe ALL students have something important to offer in our schools and that is why it is vital that we learn together.”

– Bishop J. Mark Spalding

ABOUT THE COURSE

The President’s Reserve at Hermitage Golf Course is recognized by Golf Digest Magazine as one of the top 10 courses in the state of Tennessee. Designed by architect Denis Griffiths (designer Atlanta’s Chateau Élan Resort Courses), the course trails through 300 acres of natural Tennessee wetlands and along the banks of the beautiful Cumberland River. Playing up to 7200 yards, The President’s Reserve can offer any golfer as much challenge as one might desire, yet be a pleasurable golfing experience for even the occasional golfer.
