## Junior High Math Teacher

### Description

Math Teacher (Grades 6-8)

Location: St. Edward School, Nashville, TN

Position Type: Full-Time, 10-month contract

### About Us

St. Edward School is a vibrant and faith-filled Catholic school committed to fostering academic excellence and spiritual growth in the lives of our students. Our mission is to educate the whole child, developing not only their intellectual abilities but also their faith, character, and service to others. We are seeking a passionate and dedicated Math Teacher to join our team and provide exceptional instruction to students in grades 6-8, teaching Math, Pre-Algebra, and Algebra.

### Position Summary

The Math Teacher will be responsible for delivering high-quality mathematics instruction to students in grades 6 through 8. This individual will provide engaging, challenging, and faith-centered lessons that not only strengthen students' math skills but also nurture their growth as thoughtful and compassionate individuals. The ideal candidate will have a strong Catholic identity, a deep understanding of middle school math concepts, and the ability to integrate faith with academics.

### Key Responsibilities

- Develop and deliver effective, faith-integrated lessons in Math, Pre-Algebra, and Algebra for students in grades 6-8.
- Create a positive, supportive, and inclusive classroom environment where all students are encouraged to excel.
- Design assessments, assignments, and activities to monitor and support student progress.
- Utilize a variety of teaching strategies and technologies to address diverse learning styles and needs.
- Provide individualized support to students who require additional assistance in mastering math concepts.
- Foster the spiritual growth of students by incorporating Catholic teachings and values into the curriculum.
- Maintain open and effective communication with students, parents, and school staff.
- Participate in faculty meetings, professional development, and school-wide events.
- Uphold the mission and values of the Catholic faith in daily interactions and instruction.

### Qualifications

- Bachelor's degree in Mathematics, Education, or a related field (required).
- Valid Tennessee Teaching License with endorsement in middle school mathematics.
