Description
PreK Teacher's Aide – Full-Time (5 Days) for the 2026-2027 Academic School Year.

As our school continues to grow, we are adding additional teachers to join our faculty for the 2027–2028 school year.

This is an exciting opportunity for an educator who enjoys working with children across multiple grade levels and wants to play an important role in building a vibrant enrichment program within a growing school community.

Our Specials Teachers provide engaging, developmentally appropriate enrichment experiences for students in elementary through middle school grades. Depending on the candidate's background and the needs of the school, responsibilities may include teaching one of the following areas:

- Choir
- Music
- Art
- Theater
- Spanish
- STEM/STEAM

Key Responsibilities

- Plan and teach lessons appropriate for elementary-aged students.
- Create a positive, joyful, and structured classroom environment.
- Contribute to performances, exhibitions, showcases, special events, or other enrichment opportunities as appropriate.
- Perform other duties consistent with the mission and needs of the school.

Required:

- Bachelor's degree or equivalent experience in education and a State Of TN teaching license.
- Experience working with elementary-aged children.
- Strong classroom management and communication skills.
- Ability to create engaging, hands-on learning experiences.
- Commitment to supporting the mission and values of a Catholic school.
- Professionalism, creativity, and a collaborative spirit.

We are looking for an educator who is:

- Faith-filled and supportive of Catholic education.
- Joyful and energetic in working with children.
- Creative and excited about hands-on learning.
- Collaborative and eager to work as part of a team.
- Student-centered and committed to helping every child thrive.

The ideal candidate sees "specials" as much more than a class students attend once or twice a week. They see enrichment as an opportunity to help children

discover their talents, develop confidence, experience joy in learning, and grow as whole people.

How to Apply

Interested candidates should submit:

- A current resume, a cover letter, and complete their application through Paylocity HERE
