Second Grade Teacher

Description

Who We Are

We are cultivators of wisdom and wonder. We are servant leaders shaping young minds and hearts, always pointing toward the certainty of eternal Truth, the opportunity for elevated thinking, and the path to enduring joy. We invest in each student as an individual person created uniquely by God to be in relationship with Him and impact the world for His kingdom.

We are a safe and connected community in which students feel known, allowing them the freedom to explore new ideas and challenge themselves. We are upholders of academic excellence, helping students overcome challenges and cultivate self-confidence along the way through diverse, hands-on experiences. We are dedicated teachers and staff driven by the love of Jesus, the love of our students and their families, and the love of learning. We are deeply invested in the life of each child who joins our Overbrook Catholic family, and we do everything we can to ensure they thrive.

Overbrook Catholic School is a private, co-educational school for preschool – sixth-grade students. Owned and operated by the Dominican Sisters of St. Cecilia since 1936, Overbrook Catholic offers students an education in truth and virtue where the dignity of each human person made in the image and likeness of God is at the center of everything we do.
