Cor Iesu is more than a fundraising dinner. It is an evening to step into the heart of our mission — to meet our seminarians and support the work of forming men after the sacred Heart of Jesus, from which this event takes its name.

What to Expect: Guests will enjoy a three-course dinner, an open bar with signature cocktails, and an inspiring program featuring remarks from Bishop J. Mark Spalding and Fr. Wilgenbusch. The evening will also include an exciting live auction and the opportunity to meet and spend time with seminarians of the Diocese of Nashville.

Guests will gather in fellowship with others who share a commitment to this mission while hearing the latest updates from the Office of Vocations and learning how their support is helping form the future priests of Middle Tennessee.
